XXXXXXXXXXXXXXXXXXXXXXXXXXXX

The present number of the BULLETIN is devoted entirely to EDUCATION, being a list of books, pamphlets, essays, and magazine articles relating to the subject, contained in the MAIMONIDES LIBRARY.

The value of the collection has been sensibly enhanced by generous donations from school superintendents and heads of educational institutions, to whom the thanks of the Library are heartily extended. It is to be hoped that the friends of the Library will continue aiding in perfecting this useful and valuable feature.

All who desire may utilize the contents of the library, as it is accessible to the public. Teachers, scholars and others interested are invited to avail themselves of the advantages offered for reference and study.

Since the manuscript of this BULLETIN has been given into the hands of the printer, a large number of important accessions have been received, which it was impossible to embody in the Bulletin, but can be found by reference to the interleaved copy of the Bulletin in the Library. LIBRARY CATALOGUES A SPECIALTY.

BULLETIN OF THE MAIMONIDES LIBRARY.

OFFICIAL ORGAN OF THE I. O. B. B.

Commencing in May, 1886,

THE MENORAH:

A JOURNAL OF LIGHT AND LIFE,

Will be published monthly at Two Dollars per year
for the United States, and Two Dollars and Fifty Cents
(postage paid) for all countries of the Postal Union.

Subscription payable invariably in advance.

Articles in German and French will be published
from time to time, and perhaps in every number. The
low price of the work is to make it popular, and
thus place it within the reach of all.

The OFFICIAL ORGAN, it will be a true
exponent of the B'nai B'rith, as well as a Home
and Fireside Journal, it will aim to be a gladsome
visitor in every household—to the young and to
the mature—who love truth for its own sake, and
would lift higher the standard of Judah and make
burn brighter THE MENORAH.
